Dear Friend,

This is an invitation to join – or rejoin – the Friends of the Livingston Public Library. There’s never been a more exciting time to be a part of our new state of the art facility which has the highest circulation rate in New Jersey. Our dedicated organization of volunteers continues the tradition of supporting this vital community resource. **With our membership dues we have supported the Library by being one of the leading contributors to the Capital Campaign, and by sponsoring programs not otherwise covered by the Library’s budget.** Some of these include:

- * Innovative Children and Young Adult Programs
- * The Senior Happening
- * Guest Authors and Motivational Speakers
- * Annual BookFEST!
- * *The Book Page*: a book review publication
- * Social events such as the *Dessert Extravaganza*

Your tax-deductible donation also entitles you to receive a copy of the Friends newsletter, *Footnotes*. Extraordinary Friends above the Members Circle level receive special recognition in each publication. Furthermore, all Extraordinary Friends are acknowledged with a personalized bookplate placed in the book genre of their choice. Help us by doubling your donation and taking advantage of your company’s matching gift program. We welcome not only your financial support but, your active participation. Thank you, both new and renewing members, for your generosity.
